**OLD BUSINESS FOR DECISION AND ACTION**

- Sub days for March will be the 11th, and the 25th. For April they will be the 8th and the 29th. All sub forms for the 29th will have to be in to the school by April 15th.

- Merissa talked to Ted's Foodmart and they said they would make subs a \$1.00 cheaper for us, and that they would really appreciate our business. Merissa will look into it as a third option for sub days.

- Picnic tables. Jason has not run any numbers yet, and we are now thinking that the hard steel may not be the best option as it could get extremely hot for anyone sitting on it. Jaynee is going to look into it as well and see if the school has any catalogues, where we could order thru the school. Also parent council will get a hold of division and talk to them and see what they would prefer for maintenance etc... Then we can decide which direction we will go with this.

- Tennis Court. When the snow melts, we will go have a look at the court and see how bad its cracking. It may need more than just a sealant.

- Dean has not yet contacted the AGLC about the money we have left over from the christmas raffle in 2019. He will call them right away and find out if we can donate it to the school to go towards more chrome books. Jaynee says they have sourced out some chrome books and had about 15 delivered to the school last week. Parent Council will make out a cheque to the school for the chrome books.

- Motion to approve giving the 2019 raffle funds to the school to purchase more chrome books, once Dean has the approval from AGLC, made by Merissa, seconded by Chantelle. All in favour.

### **REPORTS FROM COMMITTEES**

- Christa read the Treasurer's Report

- Motion to approve the report made by Theresa, seconded by Jaynee

### **STAFF REPORT**

- Jaynee has nothing else to report besides the chrome book update

- Motion to approve the staff report made by Christa, seconded by Chantelle

### **NEW BUSINESS**

- Staff Appreciation Day is coming up and because of covid it will be hard to plan our usual luncheon for the staff. Dean has suggested that we find out what restaurant each staff member likes to eat at, and pick up gift cards to those locations. Jaynee will ask each of the staff what they prefer, and then we will organize it and get the gift cards picked up and delivered to each staff as well as the janitor.

- Parent council is trying to arrange a movie afternoon for the kids sometime in March. Maybe purchase a dvd and rotate it between the classes and see if we can arrange to pick up popcorn from the theatre.
